## ABOUT ME

MKRUL is a Techno DJ and producer from Mexico City. His sound is fast, deep, groovie, impactful and forceful. His musical narrative makes people connect with their body and mind, creating an energetic atmosphere and an unforgettable musical experience for the attendees. A musical show that is responsible for providing an auditory and sensory experience that evokes futurism, science fiction and technology with a touch of outer space, transforming the night into an interdimensional odyssey.

MKRUL shares his passion for Techno music, and its variants such as **deep, hypnotic, hard groove and hard**, with the listeners by taking them out of their routine and providing them with a feeling of happiness, freedom and energy in their daily lives through coarse sounds emanating from the most important scenes of underground Techno in Europe.
