## ABOUT me

**MKRUL** is a techno DJ and producer originally from Mexico City. He is one of the founders of the Mexican record label **XAME Records**. His sound is fast, deep, impactful, and powerful. His musical narrative connects people with their bodies and minds, creating an energetic atmosphere and an unforgettable musical experience for attendees. This musical show provides an auditory and sensorial experience that evokes futurism, science fiction, and technology with a touch of outer space, transforming the night into an interdimensional odyssey.

MKRUL shares his passion for techno and its variations such as **deep, hypnotic, hard groove, and hard**, inspiring listeners with a sense of happiness, freedom, and energy in their daily routines through sounds emanating from Europe's most important underground techno scenes.
